

## Consent form (under 16)

Thank you for all the support and encouragement you give to your child's music lessons.

Sometimes a recording of your child's work in the lesson can be helpful to make a teaching point or record success. This recording will be digital audio or visual and will be shared with the Teacher, the pupil themselves and with you as the parent/ guardian.

In some cases (for example, posture problems at the piano) it can be useful to take a photo to illustrate the point. This digital data is for educational use and will be destroyed once the point has been resolved. No such data will be shared on-line in accordance with my Child Protection Policy (available separately on request).

If you are happy to agree to this then please sign and return the form below to me, as no such recordings will be made without your consent.

If you have any questions please then discuss them with me.

I ..... (name of parent/ carer) consent to Hilary Haworth using audio and / or video recording as an aid to the progress of ..... (student). I understand this digital data will be stored safely, destroyed once no longer required and include no personal data.
